DEFENDANT'S OBJECTIONS TO INITIAL PRESENTENCE INVESTIGATION
 REPORT

DEFENDANT CARLOS VANCE WATTS, JR. through pro-se, has reviewed the
 initial presentence investigation report (PSIR) filed in this case on November 25, 2023.
 see RE. 56: Initial PSIR, Page ID # 295-319, and submits the following objections:

- 1) Paragraph 9 of the PSIR indicates that Mr. WATTS girlfriend H.K. left her residence to
 pick up Mr. WATTS from his place of employment, (The Park Club of Kalamazoo). H.K. was never
 heard from or seen again. Mr. WATTS disagrees for the following reasons. (1) H.K. left
 her residence on 12-10-22, to pick up her brother Timothy Kelley. At "9:28 P.M." H.K. is
 seen on camera (Circle K gas station/sprinkle Rd.) Please see the investigation reports from
 The FBI, and KTPD (Kalamazoo Township police department). To review video footage.
 Mr. WATTS is not with H.K. for he is at work until 10:31 pm. Google map places
 this distance 9 minutes apart. Not 1 hour and 3 minutes! (2) on 12-11-22 at 3:20:
 am Mr. WATTS txt Timothy Kelley (FB messenger) then again until Timothy Kelley started
 threatening to kill Mr. WATTS and his family members. Prior to the threats at 3:20:43am Mr.
 WATTS stated to Timothy Kelley "Bro she told me she was going 2 u, she said u wurr
 trouble." At 3:23:16am Mr. WATTS asked Timothy Kelley this question; "Did u not txt
 saying this or was dat a lie she told me?" At 3:23:57am Timothy Kelley responded

back to Mr. WATTS "I did". On 12-11-22, Timothy Kelley txt Mr. WATTS at 9:05:42 stating: "Hey I tracked her gps, she at my cousins crib." Please see attached exhibit: 6, 7, 8 these txt messages... Mr. WATTS reiterates, an "emphatically" says; H.K. Did not leave her residence to come pick him up from work! (3) Mr. WATTS admits he last seen H.K. on 12-10-22. On 12-12-22 Mr. WATTS left Kipep because "his life was in danger". Mr. WATTS has no related cases, nor has he been relevant conducted. Paragraph 9 needs to be removed from Mr. WATTS PSIR...

2) Paragraph 12 of the PSIR indicates that Mr. WATTS met with his brother Jordan Watts. Approximately three hours later, police found H.K. Vehicle abandoned on the side of the road. H.K. blood was on the front and back seats. There was a small hole in the drivers window. The drivers seat was partially burnt, with "charring and trace of gasoline" evidence. and. About a half mile away, H.K. clothes (underwear, jeans, boots) and a durag. Mr. WATTS DNA was on H.K. Jeans. Mr. WATTS disagrees and object, for the following reasons. (2) Please review Kalamazoo county Sheriffs office / TKPD for the initial officers on the scene interviewed witnesses and what "the witnesses reported" was an assailant driving a "red pick up truck" a black and white Chrysler 300 SRT that burned H.K. Car. Nor did they describe a 6'6" 16 six foot black male that is 30 years old. (2) Mr. WATTS contends that Kalamazoo county jail illegally siezed his clothes (Durag) an planted that evidence. Please see county jail book in footage / BCPD Arrest / and then see the footage of Mr. Watts being booked out into U.S. Marshals custody. Then review newaygo property log of Mr. WATTS... Where did his clothes go (Durag)? The DNA analysis report H1:GR22-6725-1d states CARLOS WATTS and three unrelated, unknown contributors. DNA is on that durag. Mr. Watts friend Curtis Johnson and family (Mother/son/Brother) wants to also give their DNA to prove Mr. WATTS Durag was tampered with. Mr. WATTS has not seen

this family since 2010 prior to his arrest. He stayed with them until his arrest so for their DNA to be on his darrag/~~and~~ clothes only supports his claim. (3) Mr. WATTS agrees along with PSIR that he has NO codefendants, NO related cases, nor any relevant conduct. Paragraph 12 needs to be removed from the PSIR...

3) Paragraph 13 of the PSIR indicates that Mr. WATTS used a pair of scissors located at a desk at Kipep to cut off his tether and further indicates that this act is shown on video. Mr. WATTS disagrees. He admits that he "ripped off" his tether, after it came to his attention that staff member (Kipep) Edwin Kelly "might have been related to Timothy Kelley" and could send Timothy Kelley to his location (GPs). This occurred outside Kipep building after he left... Paragraph 13 needs to be removed.

4) On 12-13-22. Investigators initiated a traffic stop on a vehicle operated ^{by} Jordan Watts an attempt to locate Mr. Watts. This is "paragraph 14". They claim they located pieces of vehicle windshield glass, a screwdriver with glass embedded in the handle, and two liters in his pocket. Mr. WATTS argues this nonsense because Jordan Watts was ~~never~~ arrested for arson. Plus Mr. WATTS escape Kipep on the 12th of December by walking himself through a door. Not digging a hole with a screwdriver. Mr. WATTS agrees that he has NO related cases, NO codefendants, nor any relevant conducts. This ~~opose~~, alleged incident has nothing to do with Mr. WATTS escape from Kipep. ~~an~~ needs to be removed from his PSIR (Paragraph 14).

5) Paragraph 15 states on 12-14-2022, The MSP fugitive team was brought in to assist the KSCO and ~~PPD~~ (Portage Police department) with finding Mr. WATTS after investigator ~~learned~~ ~~known~~ he was at 88 Hazel street. (Battle creek) BCPD "attempted" to arrest Mr. WATTS:

however he barricaded himself inside of the residence for a period of time before eventually surrendering without incident. The defendant was lodged at the Kalamazoo county jail. Mr. Watts "emphatically" disagrees. Mr. Watts never barricaded anything in that house and contends that he was in touch with Corporal Brown the entire time. Plus Mr. Watts and Corporal Brown (BCPD) agreed with each other as soon as his brother Jordan Watts arrives in Battle Creek that he would surrender. The problem was Jordan Watts car was temporary seized by KPD and he was waiting on a ride. The attorney wanted Mr. Watts phone to secure the threatening txt messages plus Mr. Watts was terrified of being shot by BCPD and wanted a witness to be present. As soon as Jordan Watts arrived, Mr. Watts honored his word to Corporal Brown and surrendered. Please contact Corporal Brown for the house was never barricaded!

6) Paragraph 19, 20, and 29 of the PSIR deal with a potential adjustment for "acceptance of responsibility." Mr. Watts contends that he is entitled to a two-level adjustment for acceptance. He pleaded guilty and admitted that he committed the offense. His motion to withdraw his guilty plea focused on his fear of being attacked at Kipep. Plus former attorney James Fisher coercion lies (Life sentence). That fear should not prevent him from receiving the credit for acceptance.

7) Paragraph 117 of the PSIR deal with a potential adjustment for 18 U.S.C § 3553(A) Mr. Watts contends that he is entitled to a two-level sentence reduction outside of the advisory guideline system. For these following reasons (1) Paragraph 10, 11 shows the necessity, duress, and justification for Mr. Watts true intentions for leaving. (2) On 12-13-22 at 5:17:31 Mr. Watts along with his brother Jordan Watts had attempted to turn himself back in to federal custody. Jordan Watts personally went up to Kipep to get my agents info. (Please see Kipep video footage (12-13-22 5:17:31 PM). The Kipep staff kept telling Mr. Watts and his family to turn himself back into Kipep not a county jail, nor the federal building (Grand rapids) Mr. Watts was never going back to Kipep willingly!

Mr. Watts has no other objections to the PSIR
